Division MEMORANDUM

No. 277 , s. 2020

**CALL FOR RESEARCH PROPOSAL FOR SCHOOL HEADS AND
MASTER TEACHERS**

To : District Supervisors/District In-Charge
School Heads
Master Teachers

1. DepEd's "newfound purpose" of the Sulong EduKalidad campaign is to move forward together as the education system is being prepared for the "new normal". In this battle, all actions will be anchored on serving the public and on ensuring that the health and safety of the learners, teachers and personnel will be given priority in DepEd policies and actions.
2. Amid the challenge of this pandemic, school leaders, administrators and teachers continue to gear up for the opening of classes with preparations relative to the implementation of the Learning Continuity Plan (LCP).
3. Along with the preparations are also the problems, issues and concerns encountered. It is just fitting that school leaders and teachers shall address them through a research-based intervention or innovation that fits to the new normal situation.
4. To this effect, the Planning and Research Unit of this division calls for research proposals for School Heads and Master Teachers through the District Research Committees chaired by the District Supervisors/District In-charge. Research Proposal can be school-wide, district-wide or division-wide.
5. This will serve also as an immediate response to the call of the Regional Office pertaining to Research Study Proposal per Regional Memorandum No. 319, s. 2020 wherein submission shall be on August 20, 2020.
6. For guidelines of the appraisal of the proposal as well as the parts, you may please refer to the Research Manual distributed through the District Research Coordinators.
7. Below is the suggested schedule of activities relevant to this call. Districts may set a flexible schedule that falls on the same month or duration.
