It is in the context that the council has made this training design to solicit membership to the Boy Scout of the Philippines to all the Schools in the Division by way of conducting the Basic Training Course (BTC) to the potential adult leader in the Elementary and Secondary Level, the training will be conducted by Division at specific dates to ensure that there will be no overlapping of activities to other activities set by the Division. The training will be Province-Wide and each school will send participants to attend the training. Members of the Training Team who are Wood Badge Holder will be the training facilitator who were trained for this purpose.
