Subject: **IDENTIFICATION/RECOMMENDATION OF RECIPIENT SCHOOLS FOR DONATED SOLAR ECLIPSE GLASSES AND RELATED CURRICULAR RESOURCES**

Date: June 26, 2019

1. The Astronomers Without Borders (AWB), through the coordination of the Philippine Ambassador to the United States and the DFA Secretary, is donating solar eclipse glasses and related curricular resources to schools in the Philippines.
2. To that effect, the Office of the Undersecretary for Administration thru OUA Memo 01-0519-0186, is requesting for the identification/recommendation of possible recipient schools in our Division.
3. In this regard, the PSDSs/DICs are in turn requested to submit a list of possible recipient schools in respective district:

Two (2) Secondary Schools
Two (2) Elementary Schools
4. Please fill in the Google form thru this link: **http://bit.ly/AWB_Recipients**
5. AWB's donation seeks to engage educators and rouse the interest of learners in science and technology through the viewing of solar eclipses. The next annular solar eclipse that will cross a big swath of the Philippines will take place on December 26, 2019.
6. Immediate dissemination of this memorandum is desired.
