## DIVISION MEMORANDUM

No. 377, s. 2025

To: Select Elementary and Secondary Public School Heads  
School Focal Persons on School Sites Titling  
All Others Concerned

**CONDUCT OF CAPACITY DEVELOPMENT ON SCHOOL SITES TITLING  
PROCESSES**

1. The Department of Education's (DepEd) latest inventory shows that only 15.04% or 6,799 of public school sites across the country are officially titled under the DepEd's name. In the province of Surigao del Sur, only about 20% of the public schools have titled school sites.
2. To address this issue, the Schools Division Office of Surigao del Sur will host a Capacity Development on School Sites Titling Processes ("CapDev Activity") on September 23-25, 2025 at Goldbar Hotel & Restaurant located at Barangay Bagong Lungsod, Tandag City, Surigao del Sur. Attached as **Annex "A"** is the Program Flow of the CapDev Activity for reference.
3. The CapDev Activity will have an in-depth discussion on the different processes in the titling of lands occupied by public schools. Participants are expected to have better understanding on the procedure in acquiring school sites ownership as well as the specific requirements by government agencies involved in the process.
4. Participants of this CapDev Activity are the select school heads and focal persons on school sites titling of the three division offices in the province of Surigao del Sur (i.e., Surigao del Sur Division, Tandag City Division, and Bislig City Division).
5. Participants' travel and incidental expenses will be covered by their respective local funds, subject to the usual government accounting and auditing rules and regulations.
6. For reference, the Official List of Participants is attached as **Annex "B"**. Kindly note that the selected participants listed in Annex B are schools with sites that have no title or are in the process of applying for a title. Schools not listed can join the next capacity development.
7. All participants are required to complete the online pre-registration by accessing the QR code or using the link below:
